*Overall impressions of First Semester*

Academics

- o Students averaged 12 credits Fall semester.
- o Students advanced in Language Arts courses!
- o Consensus of students struggling in Math and Science courses.
- o Transition semester- reality check!

Socially

- o Students realize the freedom and responsibility of college.
- o Idea of college "being easy" has diminished.
- o Realizing the formula: best friends + college roommates= Someone has to move out!
- o Students have adjusted well to the college life- Academic expectations
- o Homesickness- receiving calls and emails to come home mid-Sept until October.
